# functions.

Book your function at Keayang Maar Vineyard and you can expect to wow your guests with the stunning location, delicious wine (that's made on site) and fabulous food, all blending to create unforgettable moments for all to enjoy. Functions are held in the outdoor (covered) winery, a beautiful, north facing space overlooking the vineyard. The space is available to hire exclusively for your function.

You can decorate the space to suit your occasion or simply enjoy as is. You and your guests will be treated by accommodating staff, knowledgeable about the wine and experienced in organising events. Bus parking is available and the venue is fully accessible to ensure everyone is catered for.
